

Winter Art Classes 2016

LOOM WEAVING (HS and Adults)
Thursdays, February 4 – March 10, 2016—5:30-7:30pm (6 classes)

ANDREA FLECK, Instructor

If you enjoy fiber arts, such as, knitting, crocheting, or even weaving pot holders, you might be interested in this class! In this course you will learn how to weave on a Schlact 4-harness, rising-shed, floor loom. You will get step-by-step instruction on how to 'dress' the loom with a Rose Path Twill pattern, weaving a yard of fabric, removing and finishing your piece. If this all sounds complicated, it is. The instructor will walk the class through each step. This is a great opportunity to try weaving without the expense of buying a loom. Because of the amount of time it takes from start to finishing a piece on the loom, this class may be extended beyond the 6 week allotted schedule. If this is the case, the class will decide when to schedule the additional sessions. You will need to provide the yarn for this class, which will be discussed the first night.
